

### REMARKS

Applicants have revised the abstract and amended the claims to remove terminology not customary in this country, to eliminate improper multiple dependency and a non-statutory claim and to improve the claim language. No new matter has been added, nor has the claim scope been narrowed by these amendments. Applicants also attach a copy of the application as amended in clean form.

Early action allowing claims 1-22, 24 and 25 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 424662012800.
